

CDC/ICDA
FUNDRAISING MINUTES
2/18/06

Please understand that these events are **NOT** the responsibility of PHWD or PHWD staff. The events are being offered as a support for CDC/ICDA dancers and will need to be completely organized and managed by the parents of CDC/ICDA dancers.

GUIDELINES

- Fundraising opportunities are open to any current CDC member.
- Funds raised may only be used for attending 2006 Summer Intensive Dance programs held either at PHWD or at another National/International program.
- Generated funds will be divided evenly on a per event basis and are only shared by the dancer(s) participating in that specific event.
- CDC dancers who are not attending summer intensives may still participate in fundraising events and their portion of the proceeds will go into the “general fund” to be divided amongst dancers who are going to the programs.
